

# Application and policy changes form

Individual health cover

# Important information

Please use this form to tell us about your medical history and the medical history of anyone else you want to add to your cover (dependant). We need this information to confirm your cover, process future claims and pay for treatment.

As the policy you are applying for is fully medical underwritten, any symptoms or medical conditions that you or any of your dependants had before the start date may not be covered.

You must tell us if you or any dependant to be covered under the policy experience any symptoms between the time you complete this application form and when the policy is issued. This may be different from the requested policy start date on this form. If you do not provide this information you (and your dependants') cover may be affected.

Please provide complete and accurate information. Without it, we may be unable to pay all or part of a claim or need to treat your (and your dependants') policy as if it had not existed.

We are committed to protecting your privacy when dealing with your personal information. This privacy notice provides an overview of the information we collect about you and how we use and protect it. It also provides information about your rights. The information we process about you, and our reasons for processing it, depends on the products and services you use. You can find more details in our full privacy notice available at: www.bupaglobal.com/privacypolicy. If you do not have access to the internet and would like a paper copy of the full privacy notice, or if you have any questions about how we handle your information, please contact the Bupa Global service team on +44 (0) 1273 323 563. #### www.bupaglobal.com/legal-notices

The Bupa companies that process your information will depend on which of our products and services you ask us about, buy or use. For our insurance policies, your information will be processed by the insurer and the lead administrator of your policy who may share it with other Bupa companies as set out in the 'Sharing your information section'. Please refer to your policy documentation for confirmation of the insurer and lead administrator.

#### 1. What this privacy notice covers

This privacy notice applies to anyone who interacts with us about our products and services ("you", "your"), in any way (for example email, website, phone, app and so on).

You will be able to opt out of receiving these communications at any time by contacting us.

#### 6. Profiling and automated decision making

Like many businesses, we sometimes use automation to provide you with a quicker, better, more consistent and fair service, as well as with marketing information we think will interest you (including discounts on our products and services). This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision-making.

## 7. Sharing your information

We share your information within the Bupa group of companies, with relevant policyholders (including your employer if you are covered under a group scheme), with funders who arrange services on your behalf, those acting on your behalf (for example brokers and other intermediaries) and with others who help us provide services to you (for example healthcare providers) or who we need information from to handle or check claims or entitlements (for example professional associations). We also share your information in line with the law. You can read more about what information may be shared in what circumstances in our full privacy notice.
