For new customers wishing to apply for a policy

Please use this form to tell us about your medical history and the medical history of anyone else you want to add to your cover (dependant). We need this information to confirm your cover, process future claims and pay for treatment.

As the policy you are applying for is fully medical underwritten, any symptoms or medical conditions that you or any of your dependants had before the start date may not be covered.

You must tell us if you or any dependant to be covered under the policy experience any symptoms between the time you complete this application form and when the policy is issued. This may be different from the requested policy start date on this form. If you do not provide this information your (and your dependants') cover may be affected.

Please provide complete and accurate information. Without it, we may be unable to pay all or part of a claim or need to treat your (and your dependants') policy as if it had not existed.

Start at section 2 and complete all sections after that. Once completed you can send your application to your sales representative or send it by post to Bupa Global, Bupa (Asia) Limited Customer Service, 6/F, Tower 2, The Quayside, 77 Hoi Bun Road, Kwun Tong, Kowloon, Hong Kong.

Please ask your intermediary to complete section 12, if you have one.
