

Individual Application and policy changes form (Kenya)

Important information

Please use this form to tell us about your medical history and the medical history of anyone else you want to add to your cover (dependant). We need this information to confirm your cover, process future claims and pay for treatment.

As the policy you are applying for is fully medical underwritten, any symptoms or medical conditions that you or any of your dependants had before the start date may not be covered.

You must tell us if you or any dependant to be covered under the policy experience any symptoms between the time you complete this application form and when the policy is issued. This may be different from the requested policy start date on this form. If you do not provide this information you (and your dependants') cover may be affected.

Please provide complete and accurate information. Without it, we may be unable to pay all or part of a claim or need to treat your (and your dependants') policy as if it had not existed.

In this privacy notice, “we” “us” and “our” means the Bupa companies trading as Bupa Global. For details of these companies visit www.bupaglobal.com/legal-notices

The Bupa companies that process your information will depend on which of our products and services you ask us about, buy or use. For our insurance policies, your information will be processed by the insurer and the lead administrator of your policy who may share it with other Bupa companies as set out in the ‘Sharing your information section’. Please refer to your policy documentation for confirmation of the insurer and lead administrator.

1. What this privacy notice covers

This privacy notice applies to anyone who interacts with us about our products and services (“you”, “your”), in any way (for example email, website, phone, app and so on).

3. Categories of personal information

We process the following categories of personal information about you and, if it applies, your dependants. This is standard personal information (for example information we use to contact you, identify you or manage our relationship with you), special categories of information (for example health information, information about race, ethnic origin and religion that allows us to tailor your care), and information about any criminal convictions and offences (we may get this information when carrying out anti-fraud or anti-money-laundering checks or other background screening activity).

We normally process standard personal information on the basis that it is necessary so we can perform a contract, for our or others’ legitimate interests or it is needed or allowed by law. We process special categories of information because it is necessary for an insurance purpose, because we have your permission or as described in our full privacy notice. We may process information about your criminal convictions and offences (if any) if this is necessary to prevent or detect a crime.

5. Marketing and preferences

We would, on occasion, like to keep you informed of our products and services which we consider may be of interest to you.

6. Profiling and automated decision making

Like many businesses, we sometimes use automation to provide you with a quicker, better, more consistent and fair service, as well as with marketing information we think will interest you (including discounts on our products and services). This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision-making.

7. Sharing your information

We share your information within the Bupa group of companies, with relevant policyholders (including your employer if you are covered under a group scheme), with funders who arrange services on your behalf, those acting on your behalf (for example brokers and other intermediaries) and with others who help us provide services to you (for example healthcare providers) or who we need information from to handle or check claims or entitlements (for example professional associations). 8. International transfers

We work with companies that we partner with, or that provide services to us (such as healthcare providers, other Bupa companies and IT providers) that are located in, or run their services from, countries across the world. As a result, we transfer your personal information to different countries including transfers from within the UK to outside the UK, and from within the EEA (the EU member states plus Norway, Liechtenstein and Iceland) to outside the EEA, for the purposes set out in this privacy notice. We take steps to make sure that when we transfer your personal information to another country, appropriate protection is in place, in line with global data protection laws.
