### For new customers wishing to apply for a policy

Please use this form to tell us about your medical history and the medical history of anyone else you want to add to your cover (dependant). We need this information to confirm your cover, process future claims and pay for treatment.

As the policy you are applying for is fully medical underwritten, any symptoms or medical conditions that you or any of your dependants had before the start date may not be covered.

You must tell us if you or any dependant to be covered under the policy experience any symptoms between the time you complete this application form and when the policy is issued. This may be different from the requested policy start date on this form. If you do not provide this information your (and your dependants') cover may be affected.

Please provide complete and accurate information. Without it, we may be unable to pay all or part of a claim or need to treat your (and your dependants') policy as if it had not existed.

Start at section 2 and complete all sections after that. Once completed you can send your application to your sales representative or send it by post to Bupa Global, Bupa (Asia) Limited Customer Service, 6/F, Tower 2, The Quayside, 77 Hoi Bun Road, Kwun Tong, Kowloon, Hong Kong.

Please ask your intermediary to complete section 12, if you have one.

### 5 Medical history - to be completed by existing and new customers

This section asks for health and medical details, past and present about yourself and each dependant named in section 3.

If you are an existing customer upgrading your cover you must complete this section in full so that we have an up to date record of your (and your dependants') health.

Please tick yes or no to every question for every person. If you tick yes to a question, please give full details in section 6.

If you and/or your dependants have had a previous policy with us you still need to give your/your dependants' full medical history, including any previous claims and/or pre-authorisations with us. We may still ask additional questions about your/your dependants' past medical history to be able to decide on the policy terms.

If you do not provide us with full details we may terminate your cover or it may stop us from paying your claims and/or cause us to review the terms and conditions of your policy.

You must also tell us immediately if you or any additional person to be covered under the policy experience any symptoms between the time you complete this application form and the date the policy is issued or starts (whichever date is later). Failure to do so may also result in termination, rejection of claims and/or changes to the terms and conditions of your policy.
