The following is included in our Global Health Plans:

- ✓ Full health screening
- ✓ Mental health support
- ✓ Treatment for cancer and other serious illness
- ✓ Transplants and recovery care
- ✓ Evacuation and repatriation
- ✓ Hereditary or congenital conditions
- ✓ Treatment for chronic conditions that are ongoing or are incurable
- ✓ A dedicated clinical case manager to support you on complex treatment pathways

Cancer care you can rely on

Our experience has taught us that dealing with cancer is not just about having access to the right healthcare; it's also about having the right support.

Whether you want expert advice from a leading oncologist, or a friendly voice at the end of the phone, we have people who can help.

As part of our Bupa Global cancer promise, if you're diagnosed with cancer, we'll look after you for as long as you're a member.

As standard, you'll have a specialist adviser, giving you one point of contact whenever you want to contact us.

Direct access to cancer care

We'll use national clinical guidance to advise you on your next steps, depending on the level of cover and condition

International cancer cover

You'll get direct access and freedom to choose leading specialists and overseas specialists, without waiting for a referral

Specialist oncology support team

Our dedicated support teams will offer expert advice and vital support through difficult decisions

Evacuation and repatriation options

You'll receive treatment in the nearest appropriate centre or return to your country of nationality or residence when treatment is not available locally

Treatment across the country or from your home

You could receive chemotherapy from a specialist nurse in the comfort of your own home* or utilise a network of hospitals and specialist centres

Access to proven drugs and treatment

We could cover new breakthrough cancer drugs, tests, and treatments, subject to availability and regulatory approval

* Subject to geographic and clinical restrictions.

Worry-free maternity support

Our maternity cover supports you at each step to make this special time as smooth as possible.

Leading services and maternity benefits available on selected plans

Scans and early detection

During pregnancy, scans are used to check the development and wellbeing of your baby. We include regular scans to monitor and identify any potential problems early on.

Maternity treatment and childbirth

This includes hospital charges, obstetricians and midwives fees for normal childbirth, post-natal care needed by the mother immediately following normal childbirth and up to 7 days' routine care for the baby.

Caesarean

If you decide to have a caesarean section, or if an unplanned caesarean section takes place, the cost may be covered. Full details can be found in the relevant membership guide.

Routine baby and childhood checks

We provide routine baby and childhood checks to ensure that your baby is healthy and developing normally. These include physical exams, hearing tests, and vaccinations
